Dated: 1 March 2009

Dear Arlington ABATE,

There is nothing worst than a brother in need. You want to do all you can to minimize the pain and help in anyway you can and you quickly realize your going to need help. So where can you turn to find that help?

Obviously, the Arlington ABATE.

We Armadillos are currently dealing with a brother in need, Snake. We hosted a benefit run, in his honor, to assist his family with some of the financial burden. Arlington ABATE showed up in force and supported our Run. Truly, an excellent display of brotherhood for which we are deeply appreciative.

Please accept this Letter of Appreciation as a token of our gratitude for assisting us in our endeavor to help out our brother Snake. We Armadillos do not take the support and generosity Arlington ABATE offered lightly. As such, we offer the support of our Club to assist the Arlington ABATE whenever needed. Just let us know and we'll be there.

It would go without saying; we really enjoy partying with the Arlington ABATE and offer our open invitation to come out and enjoy our hospitality (Piss included) whenever you're around and we hope that is soon and often.

Again, thank you for your generosity and excellent display of brotherhood.
Arlington ABATE you rock!

Respectfully,

Special Ed
Secretary of the Armadillo Cycle Club
